RE: Shawsville Middle School Annex Demolition Funding

Dear Mr. Meadows:

The purpose of this letter is to request funding for the demolition of Shawsville Middle School Annex. After discussion between the Montgomery County's finance department and Montgomery County Public School's finance department, it was determined that there are bond funds remaining in the Price's Fork Elementary School project. I respectfully request that a portion of the surplus bond fund proceeds remaining from the Price's Fork Elementary School project be reallocated to fund demolition of the annex portion of Shawsville Middle School in the amount of $159,564. This amount includes the engineering costs, hazardous materials, demolition, and a ten percent contingency.

I appreciate the consideration by the Board of Supervisors of this request. The Shawsville Middle School Annex is a safety and security concern for the overall Shawsville Middle School site. The demolition of the annex building will eliminate these concerns. If you have further questions concerning this request, I can be reached at 382-5100, ext. 1002.

As always, thank you for your continued support of Montgomery County Public Schools.

Sincerely,

Brenda B. Blackburn
