

Do you have an iPad?

iPad for Business Workshop

Want to learn to use your iPad for business & personal?

Bring your iPad to this hands-on, interactive workshop as together we explore some of the best applications to organize your professional and personal life. We will explore free, as well as, commercial apps to keep you productive while on the go. Get rid of that calendar, address book, notebook and all those other items weighing you down....let the iPad be your one-stop for productivity.

Thursday, March 22, 2012
