PSA to conduct annual fire hydrant maintenance

The Montgomery County Public Service Authority will be conducting its annual inspection, cleaning, maintenance, painting and flowing of Montgomery County Public Service Authority fire hydrants over the next several weeks.

Residents may experience some discolored water during this period. If this happens, residents should run their cold water for a few minutes until the line clears up.

Please contact Alan Foster at the Montgomery County Public Service Authority at 540-381-1997 with any questions.
