

PUD TND District: A residential district intended to provide opportunities for the development of new neighborhoods that feature a mix of land uses and building types that are closely linked by a network of streets, sidewalks, formal and informal open spaces and trails that create an environment that is both pedestrian and transit friendly and similar to historic small towns and neighborhoods established in Virginia and Montgomery County.

Qualifying Lands: Lands qualifying for inclusion in the district shall be limited to tracts within areas mapped as Urban Development Areas, Urban Expansion Areas, Villages and Village Expansion Areas in the Comprehensive Plan and that are served by, or planned for, public sewer and water service.

Area requirements & Mix of Uses: The minimum area required to qualify for a traditional neighborhood development shall be forty (40) contiguous acres of land. Parcels over two hundred (200) acres shall be developed as multiple neighborhoods with pedestrian and/or transit connections between them. Each neighborhood shall be designed with an individual neighborhood center subject to all the provisions of this subsection. *See section 10-32(3).* A PUD-TND shall consist of a mix of residential uses and unit types, a neighborhood center and open space subject to compliance with an approved development plan that shall identify the following required subareas: a. Neighborhood Center, b. Residential Neighborhood, c. Open Space (which may be located in either Neighborhood Centers or Residential Neighborhoods). *See 10-32(4).*

Neighborhood Center: Each PUD-TND neighborhood shall have a core made up primarily of commercial, residential, civic or institutional, and open space uses. *See section 10-32(5)(a) of the County Code.*
