

## **EXHIBIT 3**

# **METHOD FOR PAYING FACILITY FEES INSTALLMENT PLAN & ELIGIBILITY**

## METHOD FOR PAYING FACILITY FEES

1. The connection fee must be paid at the time service is provided.
2. The customer will fill out a credit application and pay \$25.00 for processing.
3. A ten percent flat fee shall be applied to the Facility Fee.
4. Customers needing just one service connection will be allowed 12 or 24 months, interest free as follows:  
  

Water - \$2,750 ( $\$2,500 \times 1.1$ ) @ 12 months = \$229.17  
Sewer - \$3,300 ( $\$3,000 \times 1.1$ ) @ 12 months = \$275.00

Water - \$2,750 ( $\$2,500 \times 1.1$ ) @ 24 months = \$114.58  
Sewer - \$3,300 ( $\$3,000 \times 1.1$ ) @ 24 months = \$137.50
5. Customers needing both services may pay in 12, 24, 36, 48 or 60 months, interest free as follows:  
  

Water/Sewer - \$6,050 ( $\$5,500 \times 1.1$ ) @ 12 months = \$504.17  
Water/Sewer - \$6,050 ( $\$5,500 \times 1.1$ ) @ 24 months = \$252.08  
Water/Sewer - \$6,050 ( $\$5,500 \times 1.1$ ) @ 36 months = \$168.06  
Water/Sewer - \$6,050 ( $\$5,500 \times 1.1$ ) @ 48 months = \$126.04  
Water/Sewer - \$6,050 ( $\$5,500 \times 1.1$ ) @ 60 months = \$100.83
6. The current PSA penalties and interest will apply to any late monthly balances.
7. Only residential users, requiring a 5/8" x 3/4" water meter connection and/or equivalent sewer connection, interested in connecting, are eligible to use the above method.
