

DOCUMENT 00 91 13 – ADDENDUM

ADDENDUM NO. 2

PROJECT: MCPSA Bethel Woods and Twin Boulders Water System Improvements
 Montgomery County Public Service Authority
 755 Roanoke Street
 Christiansburg, VA 24073

ENGINEER: Hurt & Proffitt, Inc.
 1861 Pratt Drive – Suite 1100, Blacksburg, VA 24060

Receipt of the addendum shall be acknowledged on the bid form. The bidding requirements and Contract Documents and Specifications dated July 27, 2022, and Plans dated October 10, 2022, for the above project are revised and clarified as listed below.

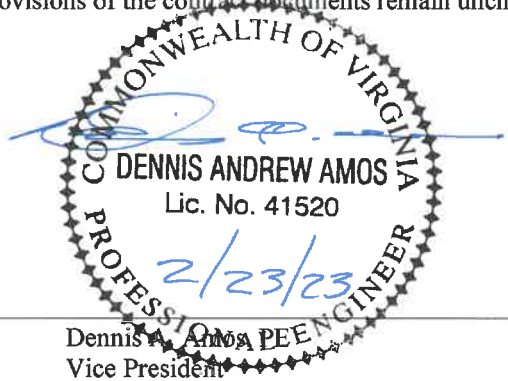

GENERAL CLARIFICATIONS:

1. Montgomery County PSA has recently replaced the well pump at the Twin Boulders site. Therefore, a new well pump and associated in-well wiring is not required as part of the Work. The Contractor shall provide and install new well pump wiring as shown on the Plans and as described in the Technical Specifications from the new well house to the existing well head.
2. The #2 BCSD ground wiring shown on the Riser Diagram on Plan Sheet E2.0 is correct.
3. The spare 3 1/2" conduit shown on the Generator Plan on Plan Sheet E2.0 will not be required.

DRAWINGS:

<u>Sheet/Detail</u>	<u>Modifications to be Made:</u>
