## INVITATION FOR BID # 24-10 issued December 7, 2023

### ADDENDUM NUMBER 1

**DATE:** December 20, 2023  
**TITLE:** Collection and Disposal of Solid Waste

#### Amendments:

1. There is no Section IV under Section III. Scope of Work. The Description, the list of locations, and bullet points a. through m. all fall under Section III. Scope of Work.
2. Section III.g is hereby removed from the Scope of Work.
3. Montgomery County reserves the right to accept no further questions after the issuance of this addendum.

#### Clarification:

1. **Question:** Please clarify what amounts are required in the unit price and extended price fields on the first page of the Invitation for Bid.

#### Montgomery County Response:

- The Unit Price is the monthly lump sum price to provide all required services.
- The Extended Price is the Unit Price multiplied by twelve (12) to determine a price for a contract year.

2. **Question:** In section IV.g you are asking for a dedicated route to service the 8 government accounts on the bid. Is this a requirement?

**Montgomery County Response:** This clause has been removed. See Amendment 2 above. The selected contractor will be required to haul all refuse to Montgomery Regional Solid Waste Authority, however the contractor will not be required to have their route approved by the County, nor will the contractor be required to isolate the County's refuse from other potential customers that may be serviced while the contractor is running their route.
