- Please use seals to close the envelopes. Please do NOT use the actual sticky flap of the envelope.

Repacking the Cage

Loading the scanner
(FVS) back in the cage:

- Handles “out”
- Lock wheels after bin is in cage.

Repacking the Cage

Cage inventory photos are posted on the inside of the cage doors.

- Put all LARGE rolls of tape in the Plastic Bin: Masking tape, painter's tape, and duct tape.
- Place the Scanner back in the cage with the handles facing the cage door.
- Lock wheels after cage is in place.

UNUSED Ballots

Blue Absentee Ballot Drop Bag will be returned to the office by the Chief.

Do NOT collapse the bag. Do NOT place bag in cage for return.

Repacking the Cage

If you have “stand-up marking booths,” DO NOT PUT THEM IN THE CAGE FOR RETURN TO THE OFFICE.

The Chief will bring the stand-up marking booth(s) back to the office.

If another Officer is assisting with the return, they may wait a day or two to bring them in.

Closing and locking the Cage

When you close the doors and rotate the handle to secure the doors, make sure the hooks (at the top and bottom) catch properly on the frame before you apply the lock.

Wrong way to close the cage door

Closing and locking the Cage

When the hooks catch properly, there will be much less movement of the doors (in and out).

Right way to close the cage door

Signature Requirements

- Election Day Oath – **all Officers**
- Pay record – **all Officers**
- **SOR (both copies) – all Officers**
- Yellow Printed Sheet – **all Officers**
- Envelope/Box #3A (Voted Ballots) must be closed with tape and sealed with signatures of **ALL OFFICERS!**
- FVS thumb drive padded Envelope – two Officers
- Ballot Receipt Envelope – two Officers
- Voting Machine Tapes – two Officers (Chief and Assistant Chief or designated Officers)
- Seals on numbered Election Materials Envelopes – two Officers

Best practice: Everybody sign everything!

When only two Officers are required to sign, the two Officers should be of different parties.

Election Day Emergencies

- Natural disasters (earthquakes, winter storms, etc.).
- Damaged or malfunctioning voting equipment.
- Electrical power outage.
- Officers of Election who do not show up on Election Day.
- Inability to enter the polling place.
- Bomb threat.
- Unruly or threatening behavior from a citizen.

Call the Registrar: 540-382-5741

What to do in an Evacuation

- Voting Machine Officers should note “public counter” number on voting machine.
- *If possible*, take voting machines, paper pollbooks and Count Sheets, ballot box, paper ballots, forms, envelopes, and pens.
- If you are unable to continue the voting process outside the polling place, record the names of voters already checked in and advise them to wait until the building can be re-entered.
- If they must leave, advise them to return before 7:00 pm. Allow them to go to front of check-in line when they return.
- If voter must leave and has already been issued a ballot, voter must insert completed ballot in emergency ballot box or turn ballot in to the Chief.

Failure of Electronic Pollbooks

- Report situation to the Registrar at 540-382-5741.
- Use backup paper pollbooks and Pollbook Count Sheet to check in voters.
- Allow voters to continue voting on regular equipment per the normal procedures.

Failure of FVS Optical Scan Voting Machines

- Voters should continue to mark paper ballots.
 - Turn FVS and ballot box bin around so scanner slot is facing away from voters.
 - Have voters insert ballots in “Emergency Ballot Compartment” located on back of FVS bin.
-
- Wait until the polls close before scanning ballots from Emergency Ballot Box. Chief and one Officer will feed ballots into the scanner. Officers have the authority to override rejected ballots so any properly marked races can be counted.
 - If Emergency Ballot Compartment gets full, ballots may be moved by Chief and one Officer to Chief’s Case which can serve as an Emergency Ballot Box.
